

NEVADA STATE FIREFIGHTERS' ASSOCIATION, INC.
P.O. Box 907
Lovelock, NV. 89419

NSFA Member,

The NSFA is offering several \$250.00 stipends to assist members in good standing to attend various training events throughout the State of Nevada. With the ever increasing cost of travel and reduction in fire department budgets, we hope this will assist you in attending training through the NSFA.

To apply please include your name, department, chief or designee's signature and a brief reason for your request. All applications will be reviewed and stipends granted on an as needed basis when NSFA funding is available.

Any application for the NSFA Annual Training Conference must be received prior to April 15th. No more than FIVE stipends shall be awarded to any requesting department throughout the fiscal year.

Please check the training program that you are applying for:

- NSFA Annual Training Conference
- Statewide Training Function.
