NSFA Members,

Just a quick reminder to mark your calendar for the upcoming fire conference in Laughlin, NV from June 19th to the 22nd. We expect more information about what is going to be offered at this year's conference to come out very soon. I believe this will be the most informative fire training conference's put on by the NSFA. Don't forget, this year is not just going to be a training conference, it is going to be a family event; make sure to bring the whole family.

I would like to remind everyone that all applications for stipends and awards nominations must be received no later than April 15th. You can find the forms online at nsfa.org/forms or by clicking on the specific form name below.

NSFA Scholarship Application

The Association allows all sons, daughters, step sons, step daughters, and dependents of association members to apply. A member must have been a member of the association in good standing for a minimum of three years, including the year of application.

Instructor of the Year Application

The **Dave Drew Fire Instructor Excellence Award** is issued during the annual training conference held in June of each year. Nominations for this award must be received by the Association by April 15th of the upcoming year.

EMS Instructor of the Year Application

The **EMS Instructor of the Year Award** is issued during the annual training conference held in June of each year. Nominations for this award must be received by the Association by April 15th of the upcoming year.

Department of the Year Application

The NSFA Board of Directors selects an applicant during the Spring NSFA Board Meeting. **Fire Department of the Year Award** is presented during the annual training conference held in June of each year. The department will receive an NSFA Revolving Trophy and an NSFA Award Flag to fly proudly. Nominations for this award must be received by the Association by April 15th of the upcoming year.

NSFA Training Stipend

The Association offers \$250.00 stipends to assist members in good standing to attend various training events throughout the State of Nevada, including the Annual Training Conference. With the ever increasing cost of travel and reduction in fire department budgets, we hope this will assist you in attending training through the NSFA.

Mark Flesher
