Just a quick reminder of the upcoming fire conference in Jean NV –June 24th-27th

Please mark your calendars and get ready as more info will be coming out soon on how to sign up and training that will be offered. But I do say, it's going to be one of the most informative fire training conferences ever put on by the NSFA. Also, just FYI, this is going to be a family event as well as a training conference so come one come all young and old.

You can get the below forms from <https://www.nsfa.org/forms> and please remember that any submitted applications must be received no later than **April 15th**.

NSFA Scholarship Application

The Association allows all sons, daughters, step sons, step daughters, and dependents of association members to apply. A member must have been a member of the association in good standing for a minimum of three years, including the year of application.

Instructor of the Year Application

The *Dave Drew Fire Instructor Excellence Award* is issued during the annual training conference held in June of each year. Nominations for this award must be received by the Association by April 15th of the upcoming year.

EMS Instructor of the Year Application

The *EMS Instructor of the Year Award* is issued during the annual training conference held in June of each year. Nominations for this award must be received by the Association by April 15th of the upcoming year.

Department of the Year Application

The NSFA Board of Directors selects an applicant during the Spring NSFA Board Meeting. *Fire Department of the Year Award* is presented during the annual training conference held in June of each year. The department will receive an NSFA Revolving Trophy and an NSFA Award Flag to fly proudly. Nominations for this award must be received by the Association by April 15th of the upcoming year.

NSFA Training Stipend

The Association offers \$250.00 stipends to assist members in good standing to attend various training events throughout the State of Nevada, including the Annual Training Conference. With the ever increasing cost of travel and reduction in fire department budgets, we hope this will assist you in attending training through the NSFA.

Mark Flesher

NSFA President

- MISSION STATEMENT -

"REPRESENT, SUPPORT, AND PROMOTE THE GENERAL WELFARE AND SAFETY OF ALL FIREFIGHTERS."
