Dear Membership,

As we get closer to the training conference, we need your feedback. Please respond to the survey that we will be sending out. We have been planning for the conference to be held in Elko, Nevada. With your input, we will decide if in-attendance training will be held.

We understand that with the current situation unfolding with the pandemic that your safety is our top priority for our conference. Your input will help decide how we proceed. Full attendance, hybrid or virtual only. Regardless of how the survey comes out, the board will hold our annual business meeting in June 2021.

Although we have not held a training conference for some time, we are continuing with our normal business on a scaled back version. The board continues to meet monthly.

As a reminder please submit your dues to the association so we can continue to support all fire fighters in the state. In addition, please submit your application for scholarships, instructor of the year and Department of the Year.

Please respond in a timely manner to the survey so we can decide how to proceed.

Thank you and please be safe.

Jim Foster
