87th Annual Training Conference

June 22-25, 2022

Virginia City, Nevada

Save the Date: The 87th Annual NSFA Training Conference will be held back in person again this year and our partners in Virginia City are planning quite an event. Hands on and classroom training sessions including EMS-CEU credit opportunities are being planned. Live fire, forceable entry, ICS/ISO overview, and "The 5 Rights of the First Line" as featured in Firehouse magazine are a few of the highlighted sessions. As always, manipulative skills, monkey drills and water fights are on tap. Great meals, camaraderie and fun for all. Hotels are filling fast with the Silverland Inn & Suites as our host hotel. Make sure you mention you are with NSFA or they will tell you that they are sold out.

See You There!!!!
