Keeping Texas in Our Thoughts and Prayers!

As the president of the Nevada State Firefighters Association and on behalf of all firefighters in the State of Nevada want to send our condolences and prayers to all the volunteer firefighters in Texas as well as the career firefighters that risk their lives to save lives and support their communities and possibly lose their lives in the process. Nevada has sent many resources to Texas to help with the search and recovery process, including 47 members and equipment from USAR Nevada Task Force-1. There are many ways to help out from afar if you are able to do so including this charity that was vetted out by Team Rubicon who also has many resources deployed to the emergency.

Kerr County Flood Relief Fund

The Kerr County Flood Relief Fund supports urgent relief and long-term rebuilding after the devastating floods of July 4, 2025. Your generosity helps neighbors across our region recover and rebuild.

The Community Foundation of the Texas Hill Country—a 501(c)(3) public charity based in Kerrville—will directly distribute funds to vetted local organizations providing rescue, relief, recovery services and flood assistance. The Fund will support impacted communities including Boerne, Hunt, Ingram, Kerrville, Center Point and Comfort.

All donations are tax-deductible, and you will receive a receipt for your gift.
