

Presented by the
**Nevada State
Firefighter's Association**
Hosted by Mineral County Fire & EMS

HAWTHORNE TRAINING SYMPOSIUM

Friday & Saturday, November 6–7, 2026 | Hawthorne, Nevada

Four classes over two days — **live fire, hazmat, wildfire, and fireground medicine.**

Hazmat Incident Commander

State certified / 16 hours / both days required

Two-day state-certified course. You have to be there Friday and Saturday to get the certificate.

Car Burn Prop

Hands-on live fire / both days, all day

The State Fire Marshal's propane car burn prop, running all weekend.

Accountability form signed by your chief before you train

Wildfire Risk Assessment

4 hours

Assess homes for wildfire risk and give owners recommendations that cut the risk to the whole community.

Medical Emergency on the Fire Ground

Approved for EMS CEU hours / 4 hours

Basic medical operations on the fire ground, including firefighter cardiac arrest management.

Schedule

Colors match the classes above. Lunch is on your own — no lunch is provided.
